Citrix Presentation Server 4.0

Administration Training

Citrix Course CTX1256BI - Plus Bonus 5th day!

March 13 - 17, 2006 - Nashville, TN

This training course provides the necessary foundation to deploy and administer Citrix Presentation Server 4.0. This course covers installation and administration of Presentation Server and its components, including Web Interface (formerly NFuse Classic), Secure Gateway, Installation Manager, and Load Manager. This course also provides the training for managing, implementing, and deploying the Citrix Presentation Server Clients.

Key Skills

Upon completion of this course, attendees will be able to perform the following:

- Identify the features and functions of the Citrix Presentation Server Console
- Configure a Presentation Server farm and individual server settings
- Configure policies for servers, users, and groups using the Citrix Presentation Server Console
- Manage and deploy applications in Presentation Server environments
- Configure and manage Web Interface and Secure Gateway for Presentation Server
- And much more!

Course Length

4 Days - Plus bonus 5th day for tips and tricks!

Topics Covered

- Introducing and Installing the Presentation Server
- Installing and Configuring the Presentation Server Clients
- Configuring ICA Connections and Sessions
- Managing Server Farm Settings
- Publishing Resources
- Configuring Presentation Server Policies
- Configuring Printing
- Enabling Web Access to Published Resources
- Securing Access to Published Resources
- And much more!

Instructor Credentials

- Citrix Certified Instructor since 1998
- Packeteer Certified Instructor since 2004
- Member of the Citrix CCI Council
- 12 Years of experience in the industry
- Implemented large number of Citrix servers
- Managed largest health care company farm
- MCSE

Why is this class different?

- Class sizes are smaller so there's more interaction between students and instructor
- Instructor employed by number one Citrix Education Provider
- Bonus 5th Day - tips, tricks, Q & A about YOUR scenarios, etc.
- Lunch provided on bonus 5th day at no additional cost
- Engineer(s) from CTC present on bonus 5th day
